Special collection initially selected through a competition by Stuart Forbes, Architecture & Design London, for the Hôtel Métropole in Geneva. Collection now open to all lovers of photography and the lake.

Je compris clairement à ce moment que même un paysage ne peut être décrit de manière seulement objective, ne peut être fixé par un appareil photo, ne peut être peint comme une nature morte. Un paysage est aussi quelque chose de vivant, une expérience vécue ; c'est donc cela que j'ai cherché à réaliser dans un tableau.

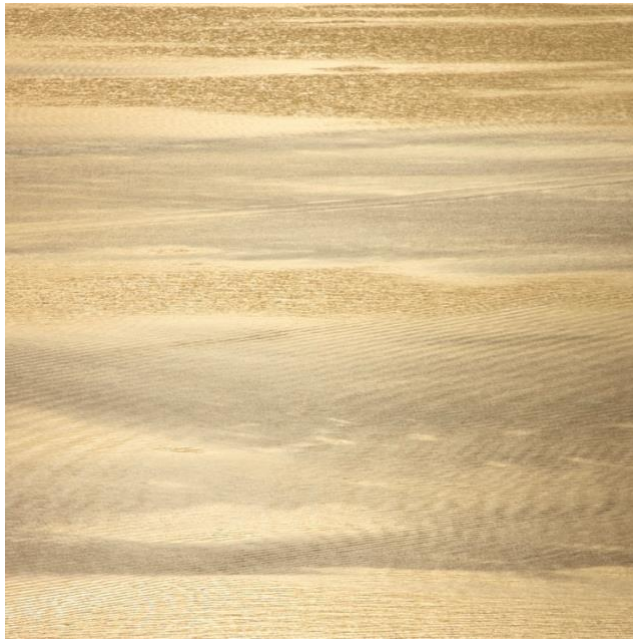

Oskar Kokoschka 1886-1980
